DIRECTOR'S VISION

Established by Mr. Rajveer Sharma, Delecon Designs has been the torchbearer of bestowing exemplary interior design services to its esteemed national and international clients. Inspiration and illustrations have our driving forces that enable us to pave our way to the top interior designers band of the country. Changing perspectives and making people live their dream is what we endeavor to.

OUR SKILL

Presenting a well-rounded skill set combined with loyalty, productivity, out-of-box ideas along with a coordinated planning and execution process makes us a one-stop destination for exceptional output.
